**Legnica Jewellery Festival SILVER** is one of the largest reviews  
in Europe presenting, promoting and documenting activities in  
the field of broadly understood artistic jewellery - a niche area  
that lies on the borderline of the fields of art, craft and design.

This event has been organised by the Gallery of Art for over forty years.  
Every year in May, numerous jewellery exhibitions are held in Legnica,  
presenting several hundred items by Polish and foreign artists, as well  
as accompanying events, including a seminar entitled "The Boundaries  
of Global Art".

Once again, the Festival programme includes a number of events focu-  
sed around designer jewellery. This year's edition will include 12 exhi-  
bitions of unique artistic jewellery, posters and photographs, located in  
8 exhibition sites in the heart of the town. The shows will feature around  
1000 jewellery and design objects by nearly 300 artists from dozens of  
countries.
