# Publisher Correction: A DHODH inhibitor increases p53 synthesis and enhances tumor cell killing by p53 degradation blockage

Marcus J.G.W. Ladds, Ingeborg M.M. van Leeuwen, Catherine J. Drummond *et al.*<sup>#</sup>

Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-018-03441-3>, published online 16 March 2018

The original PDF version of this Article listed the authors as “Marcus J.G.W. Ladds,” where it should have read “Marcus J. G. W. Ladds, Ingeborg M. M. van Leeuwen, Catherine J. Drummond *et al.*<sup>#</sup>”.

Also in the PDF version, it was incorrectly stated that “Correspondence and requests for materials should be addressed to S. Lín.”, instead of the correct “Correspondence and requests for materials should be addressed to S. Laín.”

This has been corrected in the PDF version of the Article. The HTML version was correct from the time of publication.
