Decision-Making: The Role of
Scientific Evidence Communication
on Prosecutorial Decision-Making

Leverhulme Research Centre
for Forensic Science
University of Dundee

Does the communication of scientific evidence affect decision-making in sexual and non-sexual violent crime case progression in Scotland?

To determine this, I aim to examine some of the 'cogs' of the criminal justice system in Scotland: the communication of scientific evidence and decision-making practices of those involved in evidence interpretation in sexual and non-sexual violent crime progression and prosecution.

Simon-Lewis Menzies MSc, BSc (Hons)

**PhD Researcher – Leverhulme Research Centre for Forensic
Science**

Student Co-Ordinator – Scottish Institute for Policing
